

Traffic Alert

REVISED: State Route 99 Northbound Full Closure

Location: Northbound State Route 99 Between Kansas Avenue & G Street

Revised Date/Time: Monday, October 11, 2021, through Thursday, October 14, 2021, between the hours of 10 pm and 4 am each evening

This closure is subject to change due to weather and other unforeseen circumstances.

The SR 132 project team would like to notify you that between Monday, October 11, 2021, and Thursday, October 14, 2021, during the hours of 10 pm and 4 am each evening, Northbound State Route 99 will have a full closure and detour between Kansas Avenue and G Street. Crews will be removing falsework over State Route 99 to complete the new State Route 132 separation bridge that will span over State Route 99.

Northbound State Route 99 travelers will be directed to exit State Route 99 onto 6th Street via ramp exit 226 (G-Street Central Modesto Exit). Travelers will then be detoured north using City surface streets to the NB Kansas Avenue on-ramp as shown on the map below. All freeway ramps within the freeway closure limits will be closed concurrently. Detour signs will be posted along the detour route for positive guidance during the closure.

The green outline in the graphic illustrates the detour route for the Northbound Highway 99 closure. The project team thanks you for driving cautiously through the construction areas.
