## Pile Driving Work on State Route 132 Project

---

### What Can We Expect During This Work?

During the duration of the pile driving and bridge construction, you may notice increased noise from 7:00 AM until 5:00 PM, Monday through Friday. To minimize noise impacts, the City has limited the working hours relative to pile driving activities to daytime hours.

### When Will Pile Driving Work Be Completed?

This is the last location of pile driving for the project. The duration of the pile driving work at the **SR 132/SR 99** location will take approximately 10 days to complete and all pile driving activities for the project will be completed on October 23, 2020.

*This work is weather-dependent, and the schedule is subject to change.*
