

Traffic Alert

Rosemore Avenue (Long Term) Road Closure

Closure: Rosemore Avenue, between Kansas Avenue and Elm Avenue

Starting: January 31, 2022

**This work is weather dependent.*

The long-term closure of Rosemore Avenue between Kansas Avenue and Elm Avenue is planned to begin January 31, 2022 and is expected to last until May 31, 2022. This closure is needed so that crews can complete the construction of the new bridge across the new State Route 132 Expressway, which is currently under construction.

This work is weather dependent. This timeframe is subject to change.

The green outline in the graphic below illustrates these detour routes available to the traveling public while the intersection is closed. The intersection of Kansas Avenue and Mercy Avenue has been recently opened to minimize impacts. The project team thanks you for your patience and for driving cautiously through the construction areas.

Thank you for your continued patience during construction.

Northbound and southbound travelers on Rosemore Avenue will be detoured to East to North Carpenter Road and West to Dakota Avenue so that the Rosemore Bridge can be constructed.

For more information on the State Route 132 West Project, please visit the project website at www.StateRoute132.com

To receive updates throughout the construction process please sign up for emails on the website and follow the SR 132 West Project on Facebook and Twitter.
